

Welcome to The Still Place

Dear Families,

Welcome to The Still Place! We are excited to meet you and share our amazing mountain life here in the Tusquittee Valley with you and your family.

It is our sincere desire that this time away from your usual hectic life will provide you with rest, renewal and what we like to call re-creation. We have lots of fun, excursions and adventures planned but our most heartfelt hope is that your retreat provides you with some stillness, time to be together as a family without intrusions, appointments and rules. Please let us know if at any time during your retreat your family needs things to slow down a bit.

Dr. Dawn and Dr. Craig

While you are here this is your house! All we ask is that you leave behind another layer of love for the next family.

You will find your retreat schedule on the chalkboard in the mudroom. We have also provided this booklet to familiarize yourself a bit with the house and amenities. You will also find a notebook of some charming nearby towns. Hayesville is tiny but still has many places to explore. Help yourself to any food in the refrigerator, freezer or cupboards. Ingles, the local grocery store is located about 20 minutes away in Hayesville.

Dr. Craig and Dr. Dawn live about a mile above The Still Place, so if you need anything during your stay please do not hesitate to call. Dr. Craig is often more available than Dr. Dawn, his number is 352-316-2961. Dr. Dawn 352-316-2963 (text is best for her.) If for some reason you are unable to reach them please call one of the staff at our office number, 828-209-8021. If they aren't there just leave a message and your call will be returned shortly.

We hope you have plenty of creek dippin', firefly chasin', marshmallow roastin' fun!

Love and Sunshine!

Dr. Dawn, Dr. Craig, Heather (and our amazing team of volunteers)
